Statement of purpose in recognition that we originated as part of the Mayor's Climate Network

This committee comes from a "Network of Climate Mayors Resolution" dated 8/24/18 which states:
Resolved, That the City of Saint Joseph continue to expand on innovative environmental programs to reduce greenhouse gas emissions

Goals: Rethink, Refuse, Reduce, Reuse, Recycle

Plant and nurture trees and native plants

Decrease single-use plastics

Encourage and support businesses which model environmental sustainability

Seek to reduce pollution of our water resources

Promote sustainable stewardship of historic buildings including adaptive reuse

Encourage the City of St. Joseph and all residences, businesses and other organizations to improve energy efficiency to decrease greenhouse gas emissions.
